3. About CCM

Crisis Centre Ministries is a trading name of Crisis Centre Limited, a registered company limited by guarantee and a registered charity. CCM began in 1984 as a Christian response to the needs of young people, and has developed significant expertise in helping people of all ages who suffer from 'life-disrupting problems.'

CCM specialises in helping people who are homeless, addicted and unemployed. We offer food, support and friendship, and then try to help each individual discover how they can move forwards, and how they can access the help that is available to them.

CCM operates as a part of the church in Bristol, and relies on voluntary donations to sustain and develop the work. We are not tied to any particular denomination or group of churches.

We work alongside other charities, voluntary groups and statutory agencies to help individuals, train volunteers and develop a more effective framework to care for vulnerable people.

We also work to educate people in churches, businesses and other groups about the needs of vulnerable people in our society and what can be done to help them.

Crisis Centre Ministries complies with the Data Protection Act (1998) and only uses personal data in connection with its charitable purposes. It does not make personal data available to any other organisation.
